## **CLINT MOORE FORMALLY ANNOUNCES FOR CONGRESS IN TEXAS' 2<sup>ND</sup> DISTRICT**

**Houston, Texas** - Surrounded by supporters, and his wife of seventeen years, Diana, amid a raucous room filled with Republican & community leaders plenty of patriotic music, balloons and energy, Dwight "Clint" Moore officially announced his intention to seek the office of United States Congress for Texas's newly created 2<sup>nd</sup> District.

Citing his vast experience of over 25-years as a businessman, Republican and community leader, and local government official, Clint Moore offered himself as uniquely qualified to represent the citizens of Southeast Texas and the 2<sup>nd</sup> District, which covers an area from North Houston and North Harris County east to Beaumont, Port Arthur and Jefferson County.

"I believe that I am uniquely qualified to be our next Congressman, because of the breadth and depth of my many leadership roles, the track record of success that I've been blessed to achieve, and the principles and values that I would bring to this distinguished office", said Moore. "Many people in Southeast Texas know of my commitment to conservative Republican values, and deserve a Congressman who thinks like they do, and thus will best represent their values in Washington", Moore added.

Clint received the very strong endorsement of **Tim Lambert, Republican National Committeeman from Texas** saying: "It is my distinct honor and pleasure to give my unqualified support to my long-time friend Clint Moore in his race for the US Congress. Clint has distinguished himself over the years as a staunch conservative on fiscal and social issues, who stands resolutely on principle. I know he will support President Bush as he seeks to let the people of Texas keep more of their money via tax cuts, give them more freedom through fewer government regulations, and stand for Pro-Life and Pro-Family values. Clint will make a great Congressman, because he has great courage, integrity, honesty, and character."

Also endorsing Clint at Monday's press conference were his immediate two predecessors as Republican Senate District 7 Chairman, Charles Alcorn and Billy Wayne Moore. Both spoke highly of Moore's potential to be a great Congressman, and praised him for the work he has done as Senate District 7 Chair.

Moore intends to run a vigorous grass-roots campaign on the issues that are of major importance to the citizens of Southeast Texas, based on a foundation of honesty, integrity, character, trust, and courageous leadership.
